

RE

Curriculum Document

The following progression shows how our RE curriculum has been planned in line with our intent, providing opportunities to revisit and reinforce links with key knowledge and vocabulary. The table includes possible ideas for local and global learning. Below the table is a summary of how we might promote an understanding of our key aims of Local Community, Global Citizenship and Effective Communication within the RE curriculum.

RE Progression across year groups

(Note: This is a working document, and will be altered and updated over time)

<h3>Local Community</h3> 	<h3>Global Citizenship</h3> 	<h3>Effective Communication</h3> 
<ul style="list-style-type: none"> Explore faiths represented in the local community, their places of worship and the importance to individuals. Explore how faith communities are part of the Thornbury community. Compare and contrast the religions represented in Thornbury with those in the Bristol area and the rest of the world. 	<ul style="list-style-type: none"> Develop a respect for and understanding of different religious beliefs, and of non-belief. Learn about world faiths and how being part of a religion can affect daily life. Understand how religions are located geographically around the world and within Britain. Use maps to show the location of significant religious places. Foster a curiosity for world views different to their own. (Both faith and non-faith based). Reflect on their own developing beliefs and how they influence their attitudes and actions. 	<ul style="list-style-type: none"> Learn the key vocabulary associated with major world religions (and especially Christianity and Islam). Use key vocabulary in written work, discussions and presentations. Develop a respect and understanding of other peoples' viewpoints through discussion.
