The three comments / questions were as follows:		
1) The Y3 curriculum covers risks from adults. Will you also be discussing risk from other young people or is that covered at a later stage (peer on peer abuse)?		
2) None		
3) For the children currently in higher years in the school will you be highlighting any gaps in their RSE knowledge that they would now be covering in earlier years, and including any catch up learning to ensure they leave with a comprehensive knowledge of the new RSE curriculum?		

A Parents in Partnership Meeting will be held on Tuesday 5th October 2021 via Microsoft Teams to allow any further questions to be asked should parents wish to find out more information.

We would like to thank all families who took the time to respond to the consultation.
